

2019 Rachel Turnage Science Scholarship at Camp Invention

"How would you use Science to help the WORLD or other PEOPLE?"

Science starts with BIG IDEAS...DREAMS...AND a beautiful girl name Rachel Atleigh Turnage, a girl of great character who loved science and Camp Invention! And she would want to know HOW YOU WOULD USE SCIENCE TO HELP THE WORLD OR OTHER PEOPLE!

Do you have a love of Science? If so, you are invited to apply for the Rachel Turnage Science Scholarship sending you to Camp Invention at Bear Branch Elementary June 10-14, 2019.

Rachel Turnage was born in 2006 and, at the age of 3, was diagnosed with Leukemia, a rare form of blood cancer. For the next 7 years, Rachel battled cancer with high doses of chemotherapy and radiation. Her hero was Sonic the Hedgehog, who is known for defeating impossible obstacles, was always by her side. To this day, when people see Sonic, they think of Rachel.

While receiving treatment, she took up piano, karate, Girl Scouts, as well as making the all-A-Honor Roll for 3 years in a row, and 3rd place in the BBES Spelling Bee in 3rd grade. She was a gifted and talented 4th grader with particular interest in science and computers, a magnetic personality, and was known for her loyal friendships.

Rachel was diagnosed in 2015 with a brain tumor and fought her final battle in January of 2016, leaving behind a legacy of love, character, and her dream to make a difference in the world of science and technology.
